■ About Company

At MK International, we specialize in supplying all types of Marine and Industrial Engine Generators, Ship Machineries, and associated components. With years of industry experience and a commitment to excellence, we provide reliable, high-performance equipment tailored to meet the unique demands of maritime and industrial operations worldwide.

■ Introduction

MK International specializes in purchase of marine equipment from World's largest ship recycling yard, at Alang, which is near to our warehouse and World Wide Powerplant Industries.

■ Our Vision And Mission

Our mission is to provide wide range of marine and Industrial machinery that not only meet but exceed our clients' expectations. We strive to be a trusted partner, offering solutions that drive success and deliver tangible results.

Marine & Industrial Engine Generators

Our warehouse stock consists of many of used diesel engines for sale. As well, we stock thousands of used parts in brands, like: Detroit Diesel, Deutz, MWM, MAN, Caterpillar, Cummins, Volvo Penta, Scania, MAK and gearboxes in brands like Twin Disc, ZE, and Masson. Save time and money! We either have it in stock or we know where to get it fast. Our knowledge of buying and selling engines, can help you get the right unit, at the right time and at the right price.

MK-International is in position of supply complete Marine & Industrial Generators which are ranging from 10KW to 50MW and more both in 50HZ and 60HZ. Also MK-International can supply containerized Generating sets

In need of high-quality,
reliable used diesel engines?
You're at the right place

Engine Spares Parts

MK-International stocks a wide selection of Standard and good-quality used Engine Spares from leading marine engine Makes.

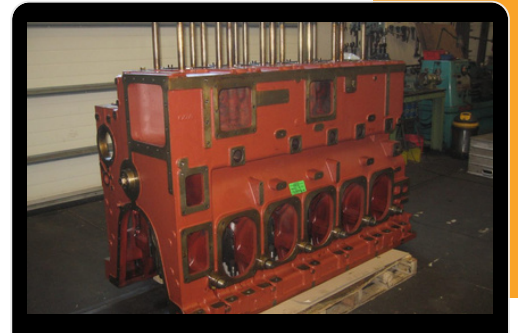

For main-engine spare parts, big parts, like cylinder liner, cylinder cover, piston crown & skirt, cooling jacket, spindle guide, fuel valve etc. Please let us know your engine maker and engine no. More better, send us drawing no. We can identify it.

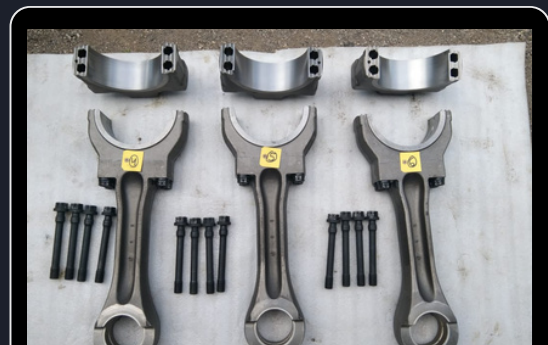

- **Cylinder block**
- **Cylinder head**
- **Cylinder liners**
- **Connecting rods**
- **Pistons**
- **Crankshaft**
- **Camshaft**

Our focus on quality and technical expertise to supply new, reusable, reconditioned or refurbished marine engine spare parts in following brands

Caterpillar, Mitsubishi, Yanmar, MAK, Wartsila, Daihatsu, and many more.

Turbocharger and their spare parts

WE DEAL IN ABB, BBC, MAN B&W, SKL, MITSUBISHI; NAPIER ETC MAKE TURBOCHARGERS COMPLETE AND SPARES. We carry stock of ABB Turbocharger spares – For 0, 1 and 4 series either complete turbochargers or Casing , Rotors , Bearings , Oil Pumps , Impellers , Turbine blades , Nozzle rings.

We stock a comprehensive inventory of used spare parts suitable for turbocharger repairs, overhauls, and replacements, including:

- Turbine shafts and wheels
- Compressor wheels
- Bearing housings
- Oil seals and rings
- Nozzle rings and guide vanes
- Casings and diffusers
- Thrust and journal bearings
- Complete CHRA (center housing rotating assemblies)
- Service and overhaul kits

Why Choose MK International?

- **Cost-Effective Solutions:** Save significantly compared to new parts without compromising on reliability.
- **Quality-Assured Used Components:** All parts undergo thorough inspection and quality checks before dispatch.
- **Wide Availability:** Fast access to hard-to-find or discontinued turbo models and components.
- **Global Shipping:** We deliver worldwide with proper packaging and documentation.
- **Experienced Team:** With years of experience in the turbocharger industry, we help customers find the right match for their engine needs.

Oil Purifiers & Separators

MK International is a reliable global supplier of used and reconditioned oil purifiers and separators for marine, industrial, and power plant applications. With a strong focus on quality, functionality, and customer satisfaction, we provide cost-effective solutions for oil filtration and separation needs.

We specialize in offering tested and ready-to-use equipment from leading brands like Alfa Laval, Mitsubishi, Westfalia, and others, ensuring consistent performance and long service life.

We offer a wide selection of pre-owned and reconditioned purifiers suitable for:

- Marine main engines and auxiliary engines
- Diesel generator sets
- Lube oil and fuel oil treatment
- Industrial oil separation systems

Our inventory includes:

- Fuel oil separators (HFO/MDO)
- Lube oil purifiers
- Centrifugal disc stack separators
- Fresh water and bilge water separators

Spare Parts & Accessories

In addition to complete units, we also supply used and serviceable spare parts, including:

- Bowls and disc stacks
- Motor assemblies
- Control panels and sensors
- Pumps and gear units
- Gaskets, seals, and O-rings
- Complete service kits

Automation and Navigation

We offer a wide variety of used and tested automation equipment, including

- Main engine control systems
- Alarm and monitoring panels
- Engine safety systems
- Power management systems (PMS)
- Boiler automation controls
- Tank level and temperature monitoring systems
- PLCs and control modules

We supply reliable used navigation systems and components such as:

- Radar systems
- GPS and DGPS units
- ECDIS and chart plotters
- Gyrocompasses and magnetic compasses
- Autopilots and steering controls
- Echo sounders and speed logs
- AIS (Automatic Identification Systems)
- VDR (Voyage Data Recorders)

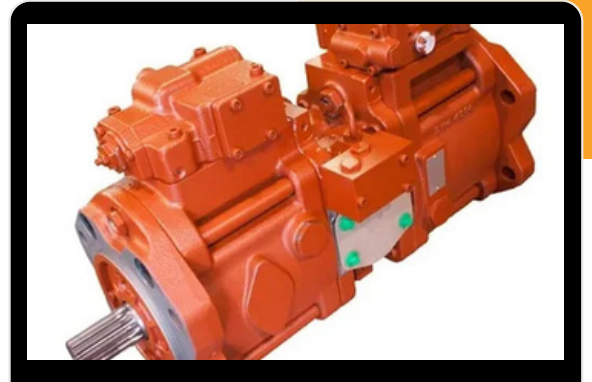

With years of industry expertise, **MK International** ensures that every component we deliver is quality-checked, functional, and ready for integration into your vessel or facility.

Hydraulic Pumps and Motors

MK International is a trusted supplier of used and reconditioned marine equipment, specializing in hydraulic pumps and motors for all types of vessels and offshore operations. With a strong focus on quality, reliability, and cost-efficiency.

All equipment is **carefully sourced, inspected, and tested to ensure operational readiness and compliance** with marine safety standards.

⚓ Hydraulic Pumps and Motors

- MK International supply recondition HYDRAULIC MOTOR and HYDRAULIC PUMP for Marine and Industrial application. Extremely large ready stock with load testing and comprehensive technical reports.
- Including most known brands such as HAGGLUNDS, REXROTH, HYDROMATIK, BOSCH, KAWASAKI, STAFFA, MITSUBISHI, IHI, ULSTAIN, NORWINCH, KAYABA, HYDROSTAR, SAUER, DENISON, PARKER, VOLVO, HATLAPA, DOWMAX, BAUER, FUKUSHIMA, LINDE, VICKERS which are used in cranes, winches, derrick, hatch covers and suitable for McGregor, Hagglunds, Mitsubishi, IHI, TSUJI, TTS, O&K, Hydralift, Liebherr, Fukushima, LMG, NMF.

🔧 HYDRAULIC MOTOR and HYDRAULIC PUMP

- Our major strengths are Extensive Huge Stock, Abundant experience of 65 years in engineering, Workshop near Indian shipbreaking yard approved by class for all N.D. test facility, Worldwide supply from INDIA.

Compressor

MK International is a leading supplier of used and reconditioned compressors for marine, industrial, and offshore applications. With a focus on quality, performance, and affordability, we offer a wide range of air and gas compressors from trusted global manufacturers.

We deal in complete Air/ Screw / Chilling (Refrigeration) / cargo compressors and its spares parts which can be supplied or sourced on demand

Types of Compressors:

- Air Compressors (Start air, working air)
- Refrigeration Compressors
- High-Pressure Compressors
- Low-Pressure Compressors
- Oil-Free & Lubricated Models
- Screw, Piston, and Reciprocating Types

Compressor Spares Also Available:

- Pistons, liners, valves, bearings
- Crankshafts and connecting rods
- Oil pumps and coolers
- Control panels and gauges
- Service kits and overhauling sets

Brands We Deal In:

- | | |
|---------------|-------------------|
| • Atlas Copco | • Sabroe |
| • Hatlapa | • Bock |
| • Sperre | • Carrier |
| • Tanabe | • Bitzer |
| • Hamworthy | • Daikin and more |

Thank You!

Hopefully, we can work together
